We provide formal proposal for every audit with a fixed rate for all anticipated costs.

Wrap-Up Notes

As a long time corporate safety mentor and auditor to the forest products industry, I can help guide you through your certification (or recertification) process with ease.

My audits are well organized, conducted efficiently and they result in minimal crew impact.

My recommendations are clear, concise, and easily implemented.

See our website for a more complete overview of our offerings to the Forest Products Industry.
