Rick Jeffery

Rick Jeffery

Chair, Human Resources Committee
Member, Executive Committee

RICK JEFFERY, RPF, is a member of the Board of Directors of the BC Forest Safety Council, representing the Coast Forest Products Association where he is President and CEO.

He chairs the Council's Human Resources Committee and is a member of the Executive Committee.

Rick has more than 25 years' experience working in B.C.'s forest industry – as a consultant, vice-president of corporate development and forester for large and small companies, in the union and with the Truck Loggers Association for 15 years where he served two years as president.

He has chaired the Canada Wood Group since 2007, serving on its Lumber Properties and Membership Committees, and is active in the B.C. Business Council's New Relationship Business and Environmental Issues Groups.

Rick earned a BSc degree in Forestry with Distinction from the University of Alberta.
